ICE BOXED (Krazy Kat cartoon)

The picture opens up on skating antics of several mice, when Krazy Kat comes into the scene and bunks into them. His eye is caught by a comely maiden, and he proceeds to do some fancy skating for her. She falls for his line, and he assists her with her skates. He is teaching her to skate, and her feet become unmanageable. He gets out a pillow for her to fall on, but she insists on falling the other way. Finally, she lands on Krazy and breaks him into several pieces. She gets him up again and he is angry at her and pushes her out of the scene.

She is bouncing along on the ice. A great many mice are coasting down a steep hill. An elephant makes a sled out of his trunk, several mice jump on and coast down. She appears into the scene and starts dawn the hill. She falls and is sliding down, face downward. Krazy Kat is after her but he cannot stop her. She crashes into a scene with a snow man and revealing Miss Hippo's legs. She realizes what is going on and socks Krazy. He flops while the snow falls. The end.
